Case No. 2:11-cv-15481-PJD-DRG

Hon. Patrick J. Duggan

Mag. Judge David R. Grand

**AFFIDAVIT OF DAVID DE VRIES**

**BEFORE ME**, the undersigned Notary, *Sharon Peper*, on this 8th day of October, 2012,  
personally appeared David DeVries, known to me to be a credible person and of lawful age,  
declares under penalty of perjury that the following is true:

While working as security at Howell High School I was involved in this incident in the course of my job duties. I was walking in the hall way when I heard a loud slamming of a door. I looked down the hall to observe to males standing outside the door. Upon arrival Daniel advised me that "We did not do anything." I advised him not to say another word until I figured out what was going on. At this point Mr. McDowell was yelling to me to "Get them out of here". He then was pointing his figure toward the door and again yelled I do not want them in my class, get them out of here. I then received a radio call advising me to go to handle this situation which I replied that I was already there. I then took the two boys to the student management office to one of the assistant principals. Mr. McDowell was very angry at the time of the incident. The

boys were very cooperative and quiet upon my arrival. I did not hear any comments or loud voices coming from the two boys.
